## Tour Itinerary

**Day 1 : Windhoek to Ghanzi.** We cross into Botswana and enter the Kalahari region. The sand masses of the Kalahari were created by the erosion of soft stone formations. The wind shaped the sand ridges, which are so typical of the landscape of this area. We take a walk with the local Bushmen to learn fascinating bush skills.

**Day 2 : Ghanzi to Maun.** From Ghanzi we head to Maun which is the gateway to the Okavango Delta.

**Day 3 : Maun to Okavango Delta.** This morning we head to the airport, jump into our planes and head into the Delta where we are based for the next 2 days.

**Day 4 : Okavango Delta.** Early morning and late afternoon game walks give you time in the middle of the day to relax, chill out and enjoy your surroundings. Why don't you have a go at poling your own mokoro? It is not as easy as it looks!

**Day 5 : Okavango Delta to Gweta (via Maun).** We are transferred out of the Delta to meet back up with our truck before a short drive takes us to our interesting overnight stop on the edge of the Makgadikgadi Pans National Park.

**Day 6 : Gweta to Kasane.** Our drive today takes us through and around the Makgadikgadi and Nxai Pans before we turn north towards the Chobe National Park. The afternoon can be spent on a scenic boat cruise on the Chobe River.

**Day 7 : Kasane to Victoria Falls.** After a hearty brunch we make our way into Zimbabwe and to Victoria Falls. Approx 1700 m wide and 100 m high, Victoria Falls is a memorable sight! Take part in one of the many adventure activities or relax by the pool.

**Day 8 : Victoria Falls.** The last day on safari gives you the opportunity to just relax and enjoy this spectacular natural wonder or you can join in the adrenalin rush that Victoria Falls is known for. Most activities are available throughout the year. On the ground the Falls can be seen from the Victoria Falls Park or from the Zambian side. Take a flight which will give you a panoramic view of the Falls, Batoka Gorge and the islands above the falls. Photographic opportunities abound. We suggest you allow yourself a few days after your safari if you wish to partake in some of the many activities.
