**Day 3 : Maun to Okavango Delta.** You have the opportunity to take a 3 day / 2 night excursion into the Delta. You travel in local transport and then in mokoros, the local dug out canoes, which are poled by local guides through the winding waterways. These local canoes are a perfect way to navigate this waterway wonder - the biggest inland Delta in the world. Your guides will select a place out in the bush to set up camp. An afternoon game walk will allow you to experience the Delta wilderness in all its glory.

**Day 4 : Okavango Delta.** Today is a free day for you to spend at your leisure. The variety of optional activities range from game walks to swimming. Relax and take in the beauty of your surroundings.

**Day 5 : Okavango Delta to Maun.** Today we return to Maun, however, you will have the chance for an early morning game walk before packing up camp. There is also the option of a scenic flight over the Delta in the afternoon - the best way to appreciate the expanse of waterways you have travelled through.

**Day 6 to 7 : Maun to Moremi Wildlife Reserve.** Moremi Game Reserve rates as one of the leading wildlife areas of the world and we have a couple of nights to experience all it has to offer. Truly unforgettable!

**Day 8 : Moremi Wildlife Reserve to Savuti National Park.** On through the wilderness we continue further north-east and enter the Savuti region which is famous for the prides of Lion making this area their home.

**Day 9 : Savuti National Park.** Savuti is famous for its large prides of lion and gorgeous sunsets. Today we will try to see both!

**Day 10 : Savuti National Park to Kasane.** Some of the largest elephant herds in Africa are to be found in the Chobe National Park and we make our way to the Chobe region for some more amazing game viewing.

**Day 11 : Chobe National Park.** There is the option of a early morning game drive should you wish to spot some game as they come out for a drink in the cool, crisp morning. After lunch we jump on our boat for a cruise along the Chobe River, to spot some more of the world's largest mammals and some of the smallest bird species.

**Day 12 : Kasane to Livingstone.** Our last 2 nights are spent near the Zambezi River and Mosi oa Tunya or 'the smoke that thunders' - Victoria Falls. Numerous optional activities keep us busy - white water raft on the mighty Zambezi River, Bungi Jump, or take a flight of angels to name a few.

**Day 13 : Livingstone.** With a day full of adventure, be sure not to miss the Bungee from Victoria Falls bridge, World class White Water rafting or abseil down Batoka Gorge. For the less adventurous there is horse back safaris, elephant back safaris, and the ever popular 'Flight of the Angels'.
