the beach and watch the local fisherman haul in today's catch. There are optional activities to keep you busy including water sports, horse back rides and a visit to the local village and school.

Day 8, Lake Malawi

The huge Lake Malawi stretches as far as you can see as you drive along the western coastline. Other than the beautiful views, spend some time taking up some of the many water based activities on offer or trip into a local village to meet some real 'salt of the earth' Malawians.

Day 9, Lake Malawi

Today you can spend some time taking up some of the many water based activities on offer, trip into a local village or relax on the beach and read your book.

Day 10, Lake Malawi to Iringa

After entering Tanzania our scenic drive takes in the beauty of the tea and banana plantations before arriving in Iringa at the 'Farmhouse'. Try out those decadent Amarula hot chocolates!

Day 11, Iringa to Dar Es Salaam

Today we pass through the Mikumi National Park en-route to our seaside campsite in Dar es Salaam where we get prepared for our departure to Zanzibar the next morning. The rolling hills and beautifully straight rows of the tea plantations give way to the bush and plains of Mikumi National Park before we reach the bustling city of Dar. Keep an eye out for Elephant calmly grazing beside the road.

Day 12, Dar Es Salaam to Zanzibar Island

We have the option to spend the following nights on the famous 'Spice Island'. The long and rich history of Zanzibar is reflected in the varied architecture, markets and cultures of Stone Town, while further north you can relax on the white sand beaches or scuba dive in the clear warm water.

Day 13 to 14, Zanzibar Island

Zanzibar offers a wealth of experiences for the visitor. The quiet streets of the old Stone Town still retain their Arabic influence. With pretty Medina-like shops, the palaces of the Sultans, its spices, tours around a spice plantation - there is something for everyone on this island. You can even hire a motorbike and explore the more remote areas of Zanzibar.

Day 15, Zanzibar Island to Dar Es Salaam

We take the ferry back to mainland for another night in Dar es Salaam. Time permitting there may be an opportunity to visit one of the local craft markets offering a large range of exquisite products (where prices depend on your bargaining skills).

Day 16, Dar Es Salaam to Arusha

After passing through the bustling town of Moshi, (the base for Mount Kilimanjaro climbing expeditions) we arrive at Meserani on the outskirts of Arusha where you have the option of taking a 1 or 2 night tour of the Serengeti and/or Ngorongoro Crater. See if you can catch a glimpse of the biggest mountain in Africa which lives most of the year under cloud!

Day 17, Arusha to Serengeti National Park

From Arusha you have the option of visiting the famous Serengeti National Park. You will depart Arusha in the morning with your vehicles and guides, if you take up the two-night/three day option. From Arusha you drive through the Masai town of Mtu Wa Mbu (Mosquito River) and up into the Ngorongoro Nature Reserve for a glimpse of the Ngorongoro Crater. Then you descend down onto the vast plains of the Serengeti. The abundance of plains game has never stopped to surprise anyone entering this wildlife heaven. The afternoon will be spent game spotting before setting up camp in the midst of the park. A camp fire and the night time noises of the wildlife finish off a day in one of East Africa's most famous game parks!

Day 18, Serengeti National Park to Ngorongoro Conservation Area

An absolute 'must do' when in Tanzania. Pass through the 'Cradle of Mankind' and the Rift Valley whilst enjoying one of the best game viewing opportunities Africa has to offer. An early start takes us off for a full morning game drive in the Serengeti. We head back towards Ngorongoro where we sleep on the Crater's edge. We suggest you wear your winter woollies as it can get pretty cold on the rim of the crater during night times.

Day 19, Ngorongoro Conservation Area to Arusha

This morning we descend into the Ngorongoro Crater with its 600 metre walls. This Garden of Eden is 20-kilometre wide and a true natural wonder. The size of this caldera is only appreciated from the floor itself where the abundance of its animal inhabitants becomes apparent. It is home to nearly every species of African animal and offers great photo opportunities of most of East Africa's mammals, such as Elephant, Rhino, Buffalo, Hippo, Lion, and plain's game. After spending the morning in the Ngorongoro Crater you will return to our overnight stop near Arusha for the night.

Day 20, Arusha to Nairobi

We set off early this morning and make our way to the Tanzania/ Kenyan border and the small border town of Namanga. After completing the border formalities, we continue on our journey to the Capital City Nairobi and our campsite on the outskirts of the city.
